### **III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE**

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.

#### ARTICLE 1 : UTILISATION

LOCABOXE précise que son client est l'organisateur de la manifestation et que celui-ci s'engage à assurer l'information des utilisateurs sur la destination limitée de l'objet loué. Il est ainsi rappelé par le loueur que l'usage des boxes est interdit ou fortement déconseillé aux chevaux entiers et que cet usage a un caractère précaire et temporaire n'assurant pas la sécurité du cheval mais sa protection contre les intempéries. Le loueur décline sa responsabilité sur ce qui peut ressortir du comportement des chevaux dans les boxes, lesquels chevaux doivent faire l'objet du contrôle et de la surveillance constante de leurs propriétaires, ce qui incombe à l'organisateur de leur signifier impérativement. Le box est un équipement ayant pour objet de procurer un abri et n'a nulle autre fonction telle que contenir un équidé en garantissant sa sécurité propre laquelle n'est pas couverte par le loueur (ou le vendeur); l'équipement n'est pas par lui-même dangereux pour le cheval qui y demeure au calme mais il ne peut être de nature à empêcher, prévenir et garantir ses manifestations de violence et de nervosité (ruade, levade, appuis forcés, déplacements rapides, etc.), la résistance des matériaux, n'étant pas prévue pour cela, motif de la non garantie formalisée par la présente clause qui circonscrit la destination du bien. Le locataire s'engage à installer et utiliser le matériel en " bon père de famille, conformément à sa destination et aux réglementations en vigueur, avec prudence et diligence, à respecter les consignes d'utilisation et de sécurité, et à le maintenir constamment en bon état de marche. Il prend toute mesure utile pour que les règles de sécurité légales, réglementaires ou édictées par le constructeur soient appliquées. Il s'interdit toute modification, aménagement ou transformation du matériel. Sauf accord écrit de LOCABOXE, il n'est autorisé à utiliser le matériel que sur la zone initialement déclarée. Le locataire s'engage à formellement interdire la cigarette dans la zone dédiée aux boxes et à prévenir les cavaliers et public par des affiches.

#### ARTICLE 2 : PRIX

Les prix s'entendent nets et sans escompte.  
Les prix obtenus sur devis sont valables 1 mois à compter de la date d'émission.  
Les prix définis le jour de la commande sont considérés comme un prix de vente fixe.  
Néanmoins, les tarifs sont révisables sans préavis suivant l'indice d'évolution au cours de l'année et les variations du cours du carburant. Tout box commandé est dû. Tout box monté est facturé à l'organisateur.

#### ARTICLE 3 : COMMANDE

Toute commande devra être accompagnée des présentes conditions et de la Fiche Concours signées par le responsable ; ces informations permettant de définir le tarif de vente. Tout impératif (de jour, d'horaires, de présence, etc.) devra être signalé et figurera sur le bon de commande selon la grille des tarifs et options. Le client devra fournir le nombre exact de boxes à monter le vendredi de la semaine précédant la manifestation, par fax ou email signé.  
De même, la quantité pour un concours ou une manifestation se déroulant en début de semaine devra être transmise au plus tard pour le mercredi avant le début de la manifestation.

#### ARTICLE 4 : MODIFICATION DE COMMANDE

Toute modification par le client des informations définies sur la Fiche Concours, remplie au moment de la réservation, devra être communiquée à LOCABOXE au plus tard 6 jours avant le début de la manifestation :  
Si ce délai de 6 jours n'est pas respecté, LOCABOXE peut remettre en cause la commande et ne pourra en aucun cas être poursuivi  
Si ces informations s'avèrent fausses ou erronées, LOCABOXE pourra alors refacturer au client les frais supplémentaires éventuels occasionnés.  
Si des informations entraînant une modification de la commande, n'ont pas été signalées en temps voulu, le client s'expose à une majoration du double du montant d'un impératif signalé. (cf. grille tarifaire Starbox-On-Time)

#### ARTICLE 5 : DELAIS

Le retard dans les délais (hors option Starbox-on-Time) ne peut donner droit à aucune indemnité ou pénalité, sauf convention expresse et écrite. Les délais de livraison sont prorogés de plein droit pour cause de force majeure ou arrêt des transports, incendie, inondation, et d'une manière générale

toutes circonstances entraînant le chômage total ou partiel de nos usines ou de celles de nos fournisseurs. Les locations de longue durée sont soumises à un délai de livraison de 1 mois à compter de la réception du dossier de réservation complet et signé, du règlement et de la caution. Dans le cadre du service Starbox-on-Time, tout retard exceptionnel de LOCABOXE donnera lieu au dédommagement à hauteur du montant de l'option initialement retenue.

#### ARTICLE 6 : CONDITIONS DE POSE

Le loueur n'est pas garant de l'état du terrain. Le client assure la réception, la vérification, la bonne conservation et la garde du matériel. En outre, sa présence est requise lors de l'arrivée des monteuses afin d'indiquer l'emplacement précis où doit se réaliser la prestation. Les zones de montage et démontage doivent être accessibles 24h/24. D'autre part, ces zones sont dégagées de tout obstacle sur un périmètre de 10 mètres minimum. L'accès est adapté aux poids lourds, super lourds et engins télescopiques.  
Sauf accord spécifique :

La zone de montage doit être accessible 10 jours avant le début de la manifestation pour l'acheminement du matériel et le début du montage.  
Le démontage intervient dans les 10 jours après la fin de la manifestation  
L'enlèvement du matériel sera effectué sous 15 jours.

Pour des raisons techniques, toute quantité de boxes inférieure à 44 boxes (starbox ou manuels) ou 76 boxes sous chapiteaux peut être amené à rester monté sur site pendant une durée de 15 jours après la fin de la manifestation. Toute immobilisation du véhicule pour les motifs exposés sera soumise à facturation à hauteur de 100 € HT par heure d'immobilisation.  
Toute dégradation au niveau du terrain et/ou du sol ne peut en aucun cas donner lieu à un dédommagement.

#### ARTICLE 7 : OBLIGATION DU LOCATAIRE (exonération de garantie)

Le terrain et le sol sont adaptés à l'hébergement d'équidés.  
Le locataire s'engage à fournir un terrain :  
Dont la surface est suffisante quant au montage complet de sa commande  
Présentant les qualités requises pour l'évolution des engins de levage (8t) et accessible à des semi-motocycles (30t), permettant ainsi l'installation de ce matériel.  
L'absence de résistance du sol due au poids ou aux pneumatiques ne sera pas prise en compte. Au cas où le terrain s'avère trop petit pour le montage de la totalité de sa commande, le client s'engage à régler cette commande intégralement. Lors du montage, un terrain n'offrant aucun accès aux camions ou aux engins de manutention, fera l'objet d'une surfacturation en fonction des moyens mis en œuvre pour ce montage. En cas de conditions d'implantation spécifiques à respecter, le plan avec toutes les côtes nécessaires est à fournir à la commande.  
Le locataire se charge de la remise en état du terrain et des abords, une fois les boxes démontés. Dans le cas de l'option Eclairage, la prestation comprend la pose et l'installation, le raccordement au réseau principal restant à la charge de l'organisateur.

#### ARTICLE 8 : SECURITE

Selon l'arrêté du 23.01.1985, Article 7 « Installation – résistance aux intempéries et risques divers », les dispositions applicables aux établissements de type CTS, Chapiteaux Tentes et Structures itinérants, sont les suivants :  
l'établissement doit être évacué :  
Si la précipitation de neige dépasse 4 cms dans la mesure où l'accumulation n'a pu être évitée sur la couverture (par chauffage, déblaiement, etc.)  
Si le vent normal dépasse 100km/h.  
En cas de circonstances exceptionnelles pouvant mettre en péril la sécurité du public.  
Par principe de précaution, nous préconisons l'évacuation des boxes à partir de vent atteignant 80 kms/h ou en cas de chute de neige.

#### ARTICLE 9 : ENTRETIEN ET REPARATION

Le locataire est tenu de protéger le matériel contre toute dégradation et de le faire entretenir conformément aux normes du fabricant. Tout frais de réparation consécutif au défaut d'entretien lui incombant reste à sa charge. LOCABOXE ne peut être tenu responsable à l'égard du locataire ou des tiers des conséquences directes ou indirectes, matérielles ou immatérielles, d'un arrêt de fonctionnement du bien loué, et n'est redevable d'aucune indemnité à ce titre.

#### ARTICLE 10 : DOMMAGES

Les boxes sont livrés en l'état.  
Toute réclamation sur les dégradations éventuelles du matériel doit être faite à réception de chantier. La réparation de dommages (bâche coupée, porte arrachée, etc.) constatés au démontage des boxes est susceptible d'être facturée à l'organisateur, qu'ils soient le fait d'une mauvaise utilisation du locataire ou des utilisateurs.

#### ARTICLE 11 : ASSURANCE

Notre matériel est assuré en RC pendant le transport jusqu'à l'arrivée sur site. A partir du montage, pour la durée de la manifestation et jusqu'au démontage, le locataire est chargé de couvrir le matériel par une assurance qui lui est propre.

Le client s'engage à couvrir, pour vol, perte, incendie, et tempête par l'intermédiaire de son assurance, l'ensemble du matériel laissé sur le lieu de montage à compter du jour de la livraison et jusqu'au jour du démontage.

Si le client désire conserver les boxes pour une autre manifestation les conditions seront les mêmes mais le client devra de plus les assurer pendant la période entre ses manifestations.

#### ARTICLE 12 : RESILIATION – ANNULATION

En cas de résiliation ou d'annulation, le locataire devra payer au loueur, et ce quelle que soit la raison de la résiliation ou de l'annulation :

- 50 % du montant indiqué si cette résiliation ou annulation se produit plus de six semaines avant la date de montage prévue sur le présent devis.
- 100 % du montant indiqué si cette résiliation ou annulation se produit moins de six semaines avant la date de montage prévue sur le présent devis.

#### ARTICLE 13 : GARANTIE

Nos fournitures sont garanties contre tout défaut de matière et vice de construction pendant la durée du contrat de location à compter de la mise à disposition, sauf dans les cas de négligence, mauvais entretien ou utilisation incorrecte de la part de tout utilisateur. Cette garantie est strictement limitée à l'échange pur et simple en nos usines des pièces reconnues défectueuses sans indemnité d'aucune sorte pour main d'œuvre de démontage, remontage, immobilisation, frais de transport, etc. Sont exclus de la garantie les défauts dus à la mauvaise utilisation constatée du matériel. La perte, la disparition ou le vol de matériel sont exclus de toutes garanties. Les équipements, pièces détachées, éléments démontables sont exclus de toute garantie et facturés au prix de remplacement en cas de perte, vol ou détérioration.

Sont également exclus de toute garantie et constituent une cause de résiliation de plein droit du contrat aux torts du locataire les dégâts causés au matériel dans les circonstances suivantes :

- Inobservation des consignes d'utilisation et de sécurité, non-respect des prescriptions et interdictions, notamment non-respect des réglementations en vigueur,

En cas d'exclusion de garantie, toutes les conséquences du sinistre sont à la charge du locataire et facturées en intégralité. En cas de perte totale, le matériel est facturé selon la valeur indiquée à la commande du présent article.

#### ARTICLE 14 : PAIEMENT

Un chèque de la totalité du montant du devis est à envoyer à la réservation, encaissable avec le solde 3 jours après la fin de la manifestation. Le solde éventuel est à remettre en contre-remboursement à la livraison des boxes. En cas de montant initial dépassant la somme finale, un remboursement par chèque de la différence sera retourné au locataire. Les règlements par mandat administratif s'effectuent à hauteur de 30% à la commande et le solde à la livraison. Dans le cas de la location longue durée et de l'achat de boxes démontables d'occasion, les chèques (règlement et caution) sont à envoyer à la commande, avant tout départ de matériel. LOCABOXE se réserve le droit de ne pas procéder au montage des boxes supplémentaires en cas de non-règlement à la livraison.

#### ARTICLE 15 : CONTESTATION
