- The Event Approved Schedule

Given the current covid-19 situation, please note that the FEI's approval of a Schedule should not be taken as an absolute guarantee that the Event will definitely go ahead. The decision whether the Event can take place must be made by the OC and NF in close consultation with the applicable domestic government and public health authorities. It is the responsibility of each Participant to check the status of the Event prior to planning his/her travel to the Event.

Guideline Covid-19

At the moment there are no COVID-19 measures in Hungary!

The lifting of epidemiological entry restrictions means that, from Monday the 7th of March 2022, travellers can enter Hungary without the need for vaccination or immunity certificates, or any kind of test or quarantine obligation. Simultaneously, the lifting of the special rules of access for certain services and events means that vaccination certificates are no longer required for entry to sporting or cultural events, music and dance festivals, or outdoor events of any kind. The wearing of masks in public spaces is no longer mandatory.

Upon access to the showgrounds of Kisbér-Ászár, you need to comply with the following safety regulations:

GENERAL COVID-19 RULES

1. If you have a fever, cough or trouble breathing, contact your doctor
2. Stay at home if you are sick.
3. Wash your hands regularly.
4. Always use paper tissues. Dispose of the tissues immediately after use and throw them away in a closed dustbin.
5. If you do not have a tissue, sneeze or cough into the crease of your elbow.
6. Do not use shared equipment.

GOVERNMENT RULES

The current measures of the Hungarian Government can be found on the website:
<https://koronavirus.gov.hu/>

The website below is about requirements if you travel to Hungary from abroad:
<https://www.police.hu/en/content/for-the-attention-of-travelers>

The Organising Committee doesn't take any responsibility for infection with Covid-19 of anyone taking part in the event.

We reserve the right to adapt the regulations to the current Corona measures for the date of the driving event if necessary.

III. THE FEI CODE OF CONDUCT FOR THE WELFARE OF THE HORSE

The Fédération Equestre Internationale (FEI) expects all those involved in international equestrian sport to adhere to the FEI's Code of Conduct and to acknowledge and accept that at all times the welfare of the horse must be paramount and must never be subordinated to competitive or commercial influences.

1. At all stages during the preparation and training of competition horses, welfare must take precedence over all other demands. This includes good horse management, training methods, farriery and tack, and transportation.
2. Horses and Athletes must be fit, competent and in good health before they are allowed to compete. This encompasses medication use, surgical procedures that threaten welfare or safety, pregnancy in mares and the misuse of aids.
3. Events must not prejudice horse welfare. This involves paying careful attention to the competition areas, ground surfaces, weather conditions, stabling, site safety and fitness of the horse for onward travel after the event.
4. Every effort must be made to ensure that horses receive proper attention after they have competed and that they are treated humanely when their competition careers are over. This covers proper veterinary care, competition injuries, euthanasia and retirement.
5. The FEI urges all involved with the sport to attain the highest levels of education in their areas of expertise.

The Long version of this Code can be obtained from the Fédération Equestre Internationale, HM King Hussein I Building, Chemin de la Joliette 8, 1006 Lausanne, Switzerland. Telephone: +41 21 310 47 47. The Code is available in English. The Code is also available on the FEI's website: <http://inside.fei.org/>.
